DJ GT is an artist that truly understands what it means to put on a performance. As the official DJ and MC for the internationally renowned Harlem Globetrotters, KiddNation DJ for the KiddKradick morning shows, American's Got Talent semi-finalist and holder of three Guinness World Records, DJ GT has shown time and time again that entertainment is an artform. Having performed in all 50 states in the US as well as in Europe and South America, there really is no question to his credibility.

The stage presence of DJ GT is something truly impressive. With the ability to DJ, MC and perform as a comedian, he has mastered the skill of keeping all eyes on him and making sure the crowd is engaged. Playing at recent events alongside superstars like Fabolous, Wale and Dillon Francis, bookings for DJ GT never stop and his fans continue to reward him for taking them on a journey every time he gets behind the decks.
